Aldredge House Preservation Fund is off to a great start!

Thanks to the many members that donated to the Aldredge House Preservation Fund on our first ever participation in North Texas Giving Day! Started with a \$10,000 gift from the Aldredge family, we had additional donations September 18 totaling almost \$25,000. Thank you to all that made North Texas Giving Day a success! If you missed the festivities at Aldredge House that day, you would have seen all the hard work Wendy Hansen and her team has put into the House over the last five months. Not to mention the fabulous food and drink donated by Food Glorious Food for the event. Also a huge thank you to Lori Routh for all her behind the scenes work enrolling us in the Giving Day program.
