## **Aldredge House Grants**

The DCMSA and Aldredge House committee is forging ahead by seeking help from the Dallas community for the Aldredge House. A committee has been appointed to seek out and apply for applicable grants to assist with updates and major repairs at the House. We currently have applied for two grants - Dallas Foundation and Hoblitzelle Foundation and have two more in the works with the Summerlee and Meadows Foundations.

The committee consists of Elizabeth Gunby and Nancy Shelton working closely with Barend Hino and Lindalyn Adams.

## **Remembering JFK and The Sixth Floor Museum**

Invitations will be mailed in early September for the November 3rd seated dinner at the Sixth Floor Museum featuring Ronald C. Jones, M.D. and honoring our members Lindalyn Adams and Ruth Altschuler. The museum has made special concessions for the DCMSA allowing us to have an event during the 50th anniversary celebration. The menu, specially crafted by Food Glorious Food, will have some of the Kennedy's favorite dishes. Due to limited space at the museum, seating will be limited to the first 200 RSVPs.
